D-Star Gateway Repeaters and High Power Hotspot connection status 17th Dec. 2024 by ZL2TWS

Green back ground indicates gateway conectivity via Hotspot / Dongle or Optional TM and AP modes. (Note-2)
Red background indicates no remote connection, RF Input Only.
The call signs listed can be seen on their respective dashboard. Valid at publication date above.
Note-1: Only Gateways with a visable dashboard are listed below.
Note-2: TM / AP = Terminal Mode (TM) and Access Point (AP)

Call sign	G3	ircDDB	TM / AP	G3 & ircDDB	RF RPTR-Simplex	Dashboard (Note-1)	Host file Address	Notes
